## MEET OUR NEW DIRECTOR

Directors were unanimous in their decision to invite prominent Hastings lawyer, Jeremy Gresson, to fill the vacancy on the Board following the retirement of Neville Norwell. Jeremy has had over thirty years experience in a wide range of commercial and property-related legal issues, and this background will add strength to future Board decision-making. Jeremy is married to Rose, and they have two adult children, Emily and Henry. One of Jeremy's great loves was flying- he had his own Cessna 172- and Emily has followed in her father's footsteps, only on a much bigger scale – she pilots a Boeing 777 for Air New Zealand! Pictured is Jeremy at his first Board meeting in November, with fellow director Mark Morgan in the background.

## HE'S DONE IT AGAIN!

Holes in one are rare, especially at Heretaunga's sponsored 13th hole at the Hastings Golf Club, but Justin Campbell, who played the perfect shot back in July, did it again in November, earning another \$250 voucher for himself, and a further \$250 for the Club's Junior Golf programme. This takes Heretaunga's contribution to Junior Golf to \$2,000!!!!!!

## IN RECOGNITION OF THEIR SERVICE

Neville Norwell and Bryce Jones were honoured by their fellow Directors at a luncheon at the Mangapapa Petit Hotel in November. Neville had served the Society for twenty-one years, and Bryce for forty years. Neville had earlier announced his retirement at the Annual General Meeting in July, and Bryce retires at the end of the Society's financial year in March.
